Moving Forward Together! Women Educating & Inspiring Generations

In 2025, the National Women's History Alliance (NWAH) proudly presents the theme "Moving Forward Together! Women Educating & Inspiring Generations." This theme celebrates the collective strength, equality, and influence of women who have dedicated their lives to education, mentorship, and leadership, shaping the minds and futures of all generations.

Education has always been a powerful catalyst for change, and women have been at the forefront, driving this transformation. From classrooms to boardrooms, and from grassroots movements to global initiatives, women educators and leaders have played a pivotal role in nurturing minds and inspiring action. This theme underscores the importance of acknowledging and celebrating these contributions, especially at a time when inclusive and equitable education is more critical than ever.

Moving Forward Together!

Women Educating & Inspiring Generations

Name a woman you have taught something special. What lesson did you learn and how does it affect you?

You can inspire those around you! How can you teach others that same lesson?

Why is it important that women hold leadership roles in society?

What are some character traits that you share with strong women leaders? Name some ways you could become more like them.

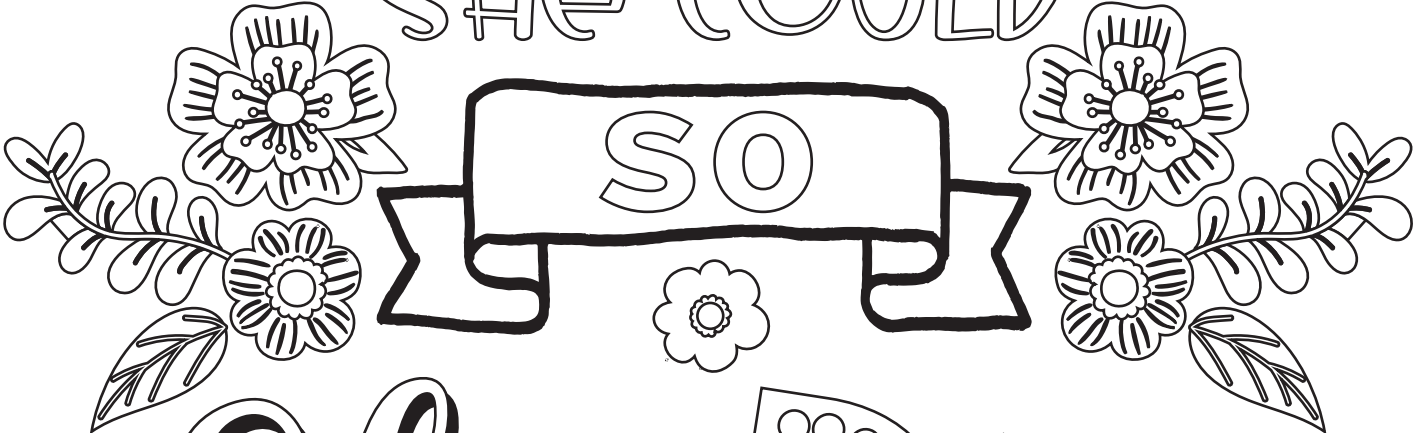

How would you like to make history?

Believed

SHE COULD

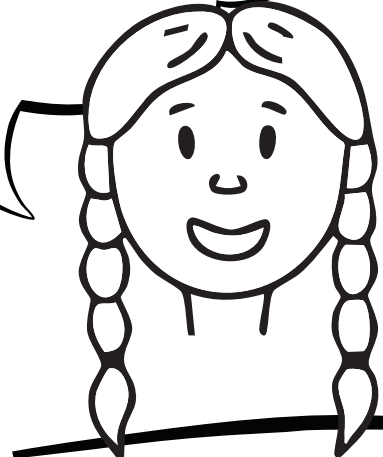

She DID

So here
I stand

one girl,
among
many.

I speak not
for myself,

but so those
without a
voice can be
heard.

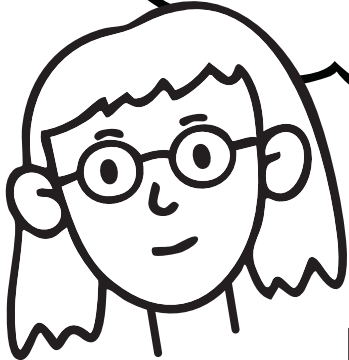

Their right to
live in peace.
Their right to be
treated with dignity.

Those who have
fought for their
rights.

Their right to
equality and
opportunity.

Their right to
be educated.
